2025 End User Schedule of Seminar Dates

IACET "CEU" ACCREDITATION

Dear TLV Associate,

TLV is pleased to announce the scheduled dates for TLV seminars in 2025. Enrollment for TLV Seminars is online!

For registration links, please go to:

<https://www.tlv.com/en-us/seminars/schedule>

The TLV Technical and TrapMan seminars begin with the basics of steam systems and general steam trap operation and conclude with application specific recommendations for better process performance and energy utilization. Based on global experience in steam, TLV's goal is to update attendees with current best practices to help improve the efficiency of their own steam system.

TLV's seminar program is fully accredited as an Authorized Provider of Continuing Education Units (CEU) by the International Association for Continuing Education & Training (IACET).

TLV will have IACET CEU credits available for interested participants in our Technical and TrapMan seminars in 2025. Receiving the IACET CEU requires some additional testing and instructor verification, therefore, it is an optional accreditation.

The attached schedules include the following seminars:

- **Technical** – Comprehensive technical training designed to help realize steam resource value opportunities.
 - 1.2 CEU/ 12 PDH – Requires complete attendance and passing an open-book exam.
- **TrapMan** – Develop methodologies and skills to effectively test and manage a steam trap population.
 - 1.3 CEU/ 13 PDH – Requires complete attendance and a trap testing capability demonstration.

Steam Lab demonstrations are an integral part of each seminar. The demonstrations that will be presented include: Glass display to visualize steam trap operation of various type traps, TrapMan testing display to show the accuracy of the TM5N judgment with each type trap, functioning transparent PowerTrap display illustrating complete condensate drainage and condensate recovery, and DC3 & TATSU-2 separation demonstrations to show how these products provide high quality steam and air to processes. Additionally, attendees will be able to observe many other TLV products, that can be used to improve plant performance or lower steam cost, (COSPECT regulators, MC-COS control valves, Vortex Flowmeters, GP10L/ GT10L and GT5C PowerTraps, compressed air traps, steam traps and air vents) operating in various applications throughout the Steam Lab.

In addition, after the TLV seminar activities conclude, there are many interesting activities to do while visiting the Charlotte area, and a list of possible things to do is provided for review.

We look forward to welcoming our customers at our training center in Charlotte.

Sincerely,

TLV CORPORATION
Andrew Mohr, BSME, CEM, PEM
Manager, Consulting & Engineering Services

Seminar Schedule 2025

END USER 2025 FEE & SEMINAR SCHEDULE

Seminar ¹	Fee	IACET CEU Accreditation ³
Technical (2-Day)	\$350	1.2 CEU
TrapMan (2-Day)	Consult TLV	1.3 CEU
Technical & TrapMan (4-Day)	Consult TLV	2.5 CEU
TrapMan Usage Fee for Seminar ²	Consult TLV	-

Note: 1. A TLV Seminar Attendance Certificate is provided upon completion of all TLV Seminar programs.

2. If not bringing own TM5N, there is a usage fee to rent a TM5N for up to two people.

3. Requires full attendance to all sessions, as well as passing an open book examination.

Attendees	Seminar	Dates
TLV Reps & End Users	Technical TrapMan	February 4-5 February 6-7
TLV Reps & End Users	Technical	March 6-7
TLV Reps & End Users	Technical TrapMan	May 6-7 May 8-9
TLV Reps & End Users	Technical TrapMan	September 9-10 September 11-12
TLV Reps & End Users	Technical TrapMan	November 4-5 November 6-7

Note: Class limited to 20 attendees, with first priority given to existing TLV users.

Advance notice will be given if seminar dates must be changed.

Seminar Schedule 2025

ENROLLMENT GUIDELINES

ENROLLMENT

1. Enrollment must be completed online at <https://www.tlv.com/en-us/seminars/schedule> and fees must be submitted through your local distributor prior to the seminar date.
2. The appropriate fee must accompany each enrollment form in order to reserve a seat. Seats are available on a first come, first serve basis.
3. Cancellation policy:
 - TrapMan Seminars
 - a) 3 weeks prior to seminar date – A credit memo will be issued for the returned fee.
 - b) 3 weeks or less – Cancellations after this will result in forfeited fee.
 - TrapMan Seat Voucher Redemption Users
 - a) 3 weeks prior to seminar date – Attendee may reschedule without penalty.
 - b) 3 weeks or less – Cancellations after this will result in forfeiture of the TrapMan Seminar seat voucher.

TRANSPORTATION

1. Transportation To and From Charlotte is the responsibility of the Attendee. (Airport is Charlotte/Douglas International.)
2. TLV provides shuttle service to and from airport, hotel, scheduled restaurants, and TLV meeting location.
3. All other transportation charges are the sole responsibility of the Attendee.

ACCOMMODATIONS

Hyatt Place - Billy Graham Parkway | 2950 Oak Lake Blvd. Charlotte, NC 28208 | (704) 423-9931

1. TLV pays for the hotel room night preceding the first day of class up to morning check out of last class date.
2. All incidental charges at the hotel (long distance phone charges, bar bills, movies, etc.) as well as extra night's stay are the responsibility of the Attendee and must be paid at checkout.
3. Meals (Daily):
 - a) BREAKFAST is provided at the hotel each morning.
 - b) LUNCH/SNACKS/DRINKS are provided at TLV throughout the seminar.
 - c) DINNER is provided each night by TLV at scheduled restaurant.

TRAINING RECORDS

TLV Certificates stating CEU awarded and learning records can be requested for reissue, at any time in writing, by the attendee or an authorized person from the attendee's employer.
